

NG-Nitro-L-Arginine

C₆H₁₃N₅O₄

Synonym: N_ω-Nitro-L-Arginine
H-Arg(NO₂)-OH

CAS: [2149-70-4]

Specified properties

Assay	min. 99 %
Appearance	white to off-white
Melting point (dec.)	> 240°C
Water	max. 0.5 %

Packaging: 2 l PE-bottles, 60 l PE Hobbocks

Storage: Keep in a cool and dry place.
See also MSDS.

This information and all further technical advice is based on our present knowledge and experience. However, it implies no liability or other legal responsibility on our part, including with regard to existing third party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described herein should be verified by testing, which should be carried out only by qualified experts in the sole responsibility of a customer. Reference to trade names used by other companies is neither a recommendation, nor does it imply that similar products could not be used.
